Source : National Treasury Administration, Ministry of Finance and Finance departments at all levels of government.

Explanation : 1.Net Revenues of Treasury represent the sum of all receipts by the treasuries from the current fiscal year's general budgets, previous fiscal year's general budgets, special budgets & extra-budgets of all levels of government, with all the duplicate parts of inter-treasury transfers & intra-treasury appropriations eliminated.

2.Net revenues of Treasury has been compiled on cash basis, as the amount received by treasury agencies.

3.Extra-budget revenues are included in Others.

Note : 1.\* Since 2015, the Municipalities City Treasuries include Taoyuan City, and the Township Treasuries include the Township & Municipality of Aboriginal District Treasuries. And since 2017, the County & City Treasuries and Township Treasuries include Fuchien Province.

2.The "r" indicates revised figures, which have been revised in November 2024.
