Explanation : 1.The figures for 2019 and the previous years are final audit accounts(figures for township offices are final accounts).

2.The self-redeeming public debt with maturity of more than one year has specific sources for debt service. It is excluded from debt cap calculation by the provision of the Public Debt Act.

3.Debts with maturity of less than one year are used for counterbalancing regular treasury income and expenditure, within which the General Fund is subject to the debt cap by the Public Debt Act.
